How 2-Year Programs Help Students Transfer

Students work closely with their success coaches to apply, gain admission, and transfer credits to their university. Furthermore, students enjoy unique access to our National Transfer Network, the only one of its kind in the U.S. Graduates may apply to a combination of in- and out-of- network universities. Some American Honors network participants offer benefits that include, but are not limited to fee waivers, course transfer agreements, or conditional acceptance. In their first year, students engage in leadership and career activities to increase their competitiveness to transfer to a higher ranked school.
